

Bari Theory Xmas Workshop 2024

Tuesday, 17 December 2024

Session 4 - Aula A "Giuseppe Nardulli" (15:50 - 17:40)

-Conveners: Nicola Losacco

time	[id] title	presenter
15:50	[12] High frequency gravitational waves shining in photons in Galactic magnetic fields	LELLA, Alessandro
16:10	[16] Coexistence of Defect Morphologies in Three-Dimensional Active Nematics	DIGREGORIO, Pasquale
16:30	[19] Dynamical cluster-based optimization of tensor network algorithms for simulating quantum circuits with finite fidelity	DE GIROLAMO, Andrea
16:50	[3] Multipartite Entanglement and Quantum Frustration	SCARAFILLO, Paolo
