ePIC Italia on Social Media: type of content

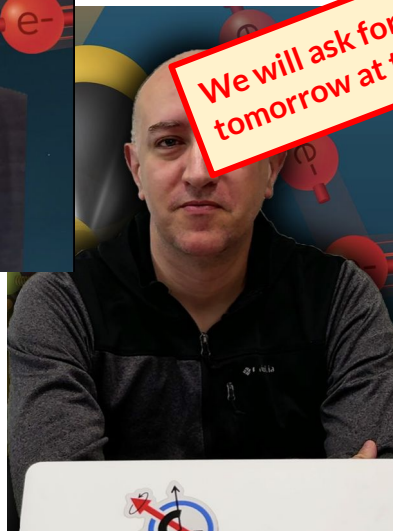

During the collaboration meeting in Frascati we interviewed a lot of attendees (many are also here today!) to introduce them on the page!

During the collaboration meeting in Frascati we interviewed a lot of attendees (many are also here today!) to introduce them on the page!

We will ask for an interview tonight and tomorrow at the coffee break!

ePIC Italia on Social Media: type of content

We are publishing a series of carousels for the general public, to explain general physics topics

(Thanks Elena!)
