### TMD description of quarkonium production (09:10 - 10:55)

-Conveners: Cristian Pisano

time	[id] title	presenter
09:10	[5] $\cos 2\phi$ asymmetry in almost back-to-back production of $J/\psi$ and jet at EIC and effect of TMD evolution	MUKHERJEE, Asmita
09:45	[15] TMD shape function and its effect in $J/\psi$ photo- and electroproduction	F. ROMERA, Samuel
10:20	[19] Gluon TMDs from quarkonium production	KATO, Nanako
