

Illuminating Biomolecular Complexity: X-ray Free Electron Lasers and Vibrational Spectroscopies for Protein, Aggregates, and Cellular Architectures

Contribution ID: 30

Type: **Invited talk (35min)**

Time-resolved studies in structural biology at the European XFEL

Monday, June 30, 2025 9:30 AM (35 minutes)

Scholarship eligibility

Presenter: BEAN, Richard

Session Classification: Session 3
