

From the laboratory to the cosmos: the context driving technologies for
physics and astrophysics

Contribution ID: 8

Type: **not specified**

How to discover the secrets of nature down to the smallest scales

Monday, 17 February 2025 15:40 (30 minutes)

Presenter: CAMPANA, Pierluigi (Istituto Nazionale di Fisica Nucleare)

Session Classification: INAF's and INFN's experimental activities: ingenuity and passion at work
