

Young Researchers Meeting In Rome 2012

Friday, 20 January 2012

Session - I : Theoretical and Particle Physics (09:20 - 10:40)

time	[id] title	presenter
09:20	[1] Vacua of Maximal Supergravity and the cosmological constant	
09:40	[2] Extra U(1) and Asymmetry	
10:00	[3] A Model Independent General Search for New Physics in ATLAS	
10:20	[4] Measurement of Z-boson forward-backward asymmetry in the muon channel with the ATLAS experiment at the LHC
