IDEA Study Group News - Paolo Giacomelli

- Paper draft on the IDEA detector concept complete
  - Circulated by Franco
  - Sent to internal reviewers
  - Please check the author list: <u>https://docs.google.com/spreadsheets/d/</u> <u>1SYClbeuOu 0jkfZLIKQdddzz6nDlJky71q6PNsz9Hkl/edit?usp=sharing</u>
    - Personal name, Institute name and address
  - Once reviewed post it on ArXiV

This paper is intended both as a white paper, to manifest interest in the IDEA detector concept, as well as a scientific paper describing in some detail the whole detector concept. Therefore also people who have not yet contributed to the IDEA studies are very welcome to sign the paper. The paper will in fact be signed by the IDEA study group.

### Caveat
