

Session Program

18-21 Jun 2012

QCD@Work - International Workshop on QCD - Theory and Experiment

Session 5

Lecce - Italy
Rettorato - Monastero dei Carmelitani

Wednesday 20 June

09:00

Session 5

Session | **Location:** Lecce - Italy, Rettorato - Monastero dei Carmelitani

09:00–09:30

Recent results from COMPASS muon scattering measurements

Speaker

Luigi Capozza

09:30–10:00

High amplitude oscillations in dense matter

Speaker

Mark Alford

10:00–10:30

Spontaneous electromagnetic superconductivity of QCDxQED vacuum in strong magnetic field

Speaker

Maxim Chernodub

10:30–11:00

Quasiparticle interpretation of $SU(N)$ gauge theories

Speaker

Marco Ruggieri

11:00
