

Inauguration ARC-Cryogenics LAB

Report of Contributions

Contribution ID: 1

Type: **not specified**

Welcome

Friday, 4 April 2025 08:30 (30 minutes)

Contribution ID: 2

Type: **not specified**

Institutional greetings

Friday, 4 April 2025 09:00 (45 minutes)

Contribution ID: 3

Type: **not specified**

Edoardo Amaldi and the reasearch for gravitational waves: the scientific challenge and the promise

Friday, 4 April 2025 09:45 (30 minutes)

Presenter: RICCI, Fulvio (Istituto Nazionale di Fisica Nucleare)

Session Classification: Talk

Contribution ID: 4

Type: **not specified**

The scientific perspective of ET and the global infrastructure

Friday, 4 April 2025 10:15 (30 minutes)

Presenter: PUNTURO, Michele (Istituto Nazionale di Fisica Nucleare)

Session Classification: Talk

Contribution ID: 5

Type: **not specified**

Astrophysics and fundamental physics with gravitational waves

Friday, 4 April 2025 11:15 (35 minutes)

Presenter: PANI, Paolo (Sapienza University of Rome & INFN Roma1)

Session Classification: Talk

Contribution ID: 6

Type: **not specified**

Einstein Telescope Site

Friday, 4 April 2025 11:50 (35 minutes)

Presenter: Dr NATICCHIONI, Luca (INFN Roma)

Session Classification: Talk

Contribution ID: 7

Type: **not specified**

ARC-ETCRYO and the development plan for an applied physics and engineering laboratory for gravitational waves

Friday, 4 April 2025 12:25 (35 minutes)

Presenter: MAJORANA, Ettore (Istituto Nazionale di Fisica Nucleare)

Session Classification: Talk

Contribution ID: 8

Type: **not specified**

Laboratory Visit

Friday, 4 April 2025 13:45 (1h 30m)
