7th IDEA Study Group meeting
April 22, 2025

Paolo Giacomelli
INFN Bologna

-  Last week we had the **3rd Annual US Higgs Factory Future Circular Collider Workshop, FNAL and ANL, 14-17 April 2025**: <https://indico.fnal.gov/event/67484/>
- Interesting workshop with a good attendance, mostly from the US but also from Europe

-  **FCC-ee workshop on Tracking detectors, BNL, 7-9 May 2025: <https://indico.cern.ch/event/1516157/>**
-  **Workshop on ML in the front end, 19-21 May 2025: <https://indico.phys.hawaii.edu/event/2506/>**
-  **FCC week 2025, Vienna, 19-23 May 2025: <https://indico.cern.ch/event/1408515/overview>**
-  **Open Symposium of the ESPP, Lido di Venezia, 23-27 June 2025: <https://agenda.infn.it/event/44943/overview>**

- 📌 We have the **IDEA Study Group meetings** on the **3rd Tuesday** of every month
- 📌 This time it would be on May 20th, but that is the FCC annual meeting
- 📌 We should choose between **Tuesday May 13th** or **Tuesday May 27th**
