SECOND BULLETIN

September 2025

Dear Colleagues,

We are pleased to share with you some **important updates** regarding the “7th international workshop on new Photon-Detectors (PD2025)”, which will take place in Bologna (Italy) from 3 to 5 December 2025.

General Information

General information about the workshop, venue and social programme can be found on the **First Bulletin** and on our website, where updates will continue to be published. <https://web.infn.it/photondetectors2025>

Abstract Submission Deadline – extension

The deadline for abstract submission has been extended to **17 September 2025**. We warmly encourage you to submit your contribution via the conference website.

<https://agenda.infn.it/event/47073/abstracts>

Invited Speakers

PD2025 will feature a strong scientific programme with **invited talks given by leading experts** in the field. The list of invited speakers, updated as confirmations arrive, can be found on the conference website.

<https://web.infn.it/photondetectors2025/invited-plenary-speakers>

Workshop Conveners

PD2025 sessions will feature **expert workshop conveners**, specialists in their respective areas. Conveners play a key role in shaping the scientific programme. The list of conveners, updated as confirmations arrive, is available on the conference website.

<https://web.infn.it/photondetectors2025/workshop-conveners>

Sponsors and Exhibitors

We are delighted to welcome a growing number of **sponsors and exhibitors** who will contribute to the success of PD2025. The updated list is available on the website. <https://web.infn.it/photondetectors2025/sponsors-and-exhibitors/>

Awards for Early-Career Researcher

An **awards competition** will be held for early-career researchers presenting their work at PD2025. This includes the **EPS Poster Prize**, awarded to an outstanding PhD student poster presenter and supported by the European Physical Society. Details about eligibility and evaluation criteria are published on the website.

<https://web.infn.it/photondetectors2025/award-competition>

Student and Early-Career Support

The Workshop can support a limited number of early-career researchers by offering **reduced registration fees or full fee waivers**. Information and application procedures are available on the website.

<https://agenda.infn.it/event/47073/registrations/5309/>

We look forward to receiving your contributions and to welcoming you to Bologna.

On behalf of the Local Organizing Committee,

Roberto Preghenella
Chair of PD2025
