**THIRD BULLETIN**  
**November 2025**

Dear Participants,

We are pleased to share with you some **important information** regarding the “7th international workshop on new Photon-Detectors (PD2025)”, which will take place in Bologna (Italy) from 3 to 5 December 2025.

We look forward to welcoming you to Bologna soon!

On behalf of the Local Organizing Committee,

Roberto Preghenella  
Chair of PD2025

## General Information

General information about the workshop can be found on the **First Bulletin**, on the **Second Bulletin** and on our website.

<https://web.infn.it/photondetectors2025>

## Final Programme and Agenda

The **Final Programme** is now available and can be consulted from the INDICO page of the Workshop. Please note that minor schedule adjustments may occur. Any updates will be promptly reflected on the INDICO agenda and announced during the workshop.

<https://agenda.infn.it/event/47073/timetable/#all.detailed>

## Registration Desk and Conference Secretariat

Participants will be able to collect their **Personal Badge and Welcome Kit** on Wednesday 3 December 2025 from 8:00 to 9:00 from the **Registration Desk** at the Workshop Venue. For late arrivals, badge and kit collection will remain possible from the **Conference Secretariat**, which will be available at the venue throughout the workshop to provide assistance and information.

Please note that **on-site payment will not be possible**. Only participants who have completed their registration and payment in advance will be admitted to the workshop.

Participants are kindly requested to **wear their Badge at all times** during the event. Please note that the Workshop Venue is located within a public building and **access** to the conference room **will be regulated by security personnel**.

## Information for Speakers and Poster Presenters

Information and **guidelines** for speakers and poster presenters have been **published on the workshop website**. All contributors are kindly invited to consult the dedicated section online for details regarding presentation formats, timing, poster setup and technical support. <https://web.infn.it/photondetectors2025/information-for-presentations>

## Visits to INFN Bologna Laboratories

Two **guided visits to the INFN Bologna laboratories** will be organised, on Tuesday 2 December 2025 at 17:00 and on Friday 5 December 2025. at 17:30. Participation will follow the preferences indicated during registration.

Further **details** regarding the arrangements and logistics of the visits **will be communicated at a later stage** only to those who expressed interest. Each visit will be followed by an **informal aperitivo** at the INFN Bologna laboratory building.

## Social Dinner

The **Social Dinner** will take place on Thursday evening 4 December 2025 at 20:00 at **Ristorante Donatello**, one of Bologna's most historic and renowned restaurants. The restaurant is located about 15 minutes on foot from the workshop venue. <https://maps.app.goo.gl/KbuvDDtcyqNEQ9db9>

Located in the heart of the city, Ristorante Donatello has been serving traditional Bolognese cuisine since 1903, in an elegant setting decorated with photographs of artists, writers, and notable guests who have visited over the decades. The social dinner will offer participants the opportunity to enjoy authentic local dishes and share a convivial evening in the true spirit of Bologna.

**Details of the menu** can be found on the workshop website. **Vegetarian options** and other **special dietary requirements** will be available for those who have indicated them during registration. Please check these details at the registration desk upon arrival.

## Award Competition

Registration for the **PD2025 Award Competition** is now open. Eligible speakers and poster presenters are warmly encouraged to **apply before 3 December at 14:00**. The winners will be announced during the **Closing Session** of the workshop.

Details about the three awards, eligibility criteria and prizes are available on the workshop website together with the link to submit the application.

<https://web.infn.it/photondetectors2025/award-competition/>

## Excursion

A **guided tour of Bologna** will take place on Saturday 6 December 2025 at 10:30 those who expressed interest. The itinerary, titled “*Discover Bologna*”, will be conducted in English and will last approximately 1 hour and 30 minutes.

Further **details** regarding the arrangements and logistics of the tour **will be communicated at a later stage** only to those who expressed interest.

## Code of Conduct

All participants have **agreed to adhere to the Code of Conduct** by completing their registration. We kindly remind everyone to uphold its principles throughout the workshop, ensuring a collegial, inclusive and respectful environment for all.

We invite you to **help make PD2025 a welcoming and positive experience**, fostering open scientific exchange and mutual respect. The full text of the Code of Conduct is available on the workshop website.
