

**7th international workshop on
new Photon-Detectors
(PD2025)**

Report of Contributions

Contribution ID: 3

Type: **Talk**

Timing measurements with SiPM sensors

Recent results on timing measurements with charged particles traversing directly SiPM are reported

Speaker Confirmation

Yes

Primary authors: CARNESECCHI, Francesca; NANIA, Rosario (Istituto Nazionale di Fisica Nucleare)

Presenter: CARNESECCHI, Francesca

Session Classification: Application Areas

Track Classification: Application Areas: Timing Application
