

**Working Group on Radiative Corrections and Generators for Low Energy
Hadronic Cross Section and Luminosity**

Contribution ID: 1

Type: **not specified**

**Current status of the luminosity measurement with
CMD-3 detector at VEPP-2000 e+e- collider**

Monday, 16 April 2012 15:00 (30 minutes)

Presenter: FEDOTOVICH, Gennady V. (BINP)

Session Classification: Radiative Corrections and MC generators
