

Working Group on Radiative Corrections and Generators for Low Energy
Hadronic Cross Section and Luminosity

Contribution ID: 5

Type: **not specified**

Results and issues on $am\mu^HLO$

Monday, 16 April 2012 17:40 (20 minutes)

Presenters: Dr EIDELMAN, Simon (Budker Institute of Nuclear Physics); Dr TEUBNER, Thomas (University of Liverpool)

Session Classification: Hadronic VP, g-2 and Delta alpha
