

PROVA2- Open Symposium on the European Strategy for Particle Physics

Wednesday, 2 July 2025

Electroweak Physics - Sala Perla (09:00 - 10:45)

time	[id] title	presenter
09:00	[31] The Electroweak/Higgs physics landscape beyond the LHC: Open questions and exploration at future colliders	DUNFORD (UNIVERSITY OF HEIDELBERG), Monica
09:30	[32] Characterisation of the Electroweak/Higgs sectors at future colliders: Comparative assessment	DE BLAS (UNIVERSITY OF GRANADA), Jorge
10:00	[33] Discussion	CANELLI (UNIVERSITY OF ZURICH) - DISCUSSION LEADER, Florencia
