

Session Program

30 September 2025 to 3 October 2025

QuICS - Quantum: Information, Complexity, Simulation

Keynote Speakers

Bari (Italy) - Palazzo dell'Acqua, Conference Room
Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

Tuesday 30 September

09:00

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

09:00–09:40

Multiple-observable entropic uncertainty relations and entanglement detection

Speaker

Chiara Macchiavello

09:40–10:20

Structural transitions in two-dimensional Coulomb crystals

Speaker

Carlo Sias

10:20

10:50

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

10:50–11:30

Quantum functional testing

Speaker

Daniel Braun

11:30

15:00

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

15:00–15:40

Nonstabilizerness in the monitored dynamics of complex quantum systems

Speaker

Davide Rossini

15:40

Wednesday 1 October

09:00

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

09:00–09:40

Finite Group Lattice Gauge Theories and their Quantum Simulations

Speaker

Elisa Ercolessi

09:40–10:20

The Josephson effect moving Quantum Computation through the Macroscopic Quantum

Speaker

Francesco Tafuri

10:20

10:50

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

10:50–11:30

Hidden Markov models - classical and quantum mechanisms, and beyond

Speaker

Andreas Winter

11:30

15:00

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

15:00–15:40

Tensor Network Algorithms for Quantum Simulation

Speaker

Simone Montangero

15:40

Thursday 2 October

09:00

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

09:00–09:40

Transitions in monitored quantum circuits

Speaker

Rosario Fazio

09:40–10:20

False vacuum decay in ferromagnetic superfluids

Speaker

Giacomo Lamporesi

10:20

10:50

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

10:50–11:30

Certified many-body physics

Speaker

Antonio Acin

11:30

15:00

Keynote Speakers

Session |

Location: Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

15:00–15:40

Quantum spin liquids in cavity QED

Speaker

Darrick Chang

15:40

Friday 3 October

09:00

Keynote Speakers

Session |**Location:** Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

09:00–09:40

Semiclassical simulations of dissipative quantum many-body systems

Speaker

Peter Rabl

09:40–10:20

Correlation imaging, from 3D to hyperspectral

Speaker

Milena D'Angelo

10:20

10:50

Keynote Speakers

Session |**Location:** Bari (Italy) - Palazzo dell'Acqua, Conference Room, Palazzo dell'Acqua, Via Salvatore Cognetti, 36 70121 Bari (BA), Italy Room: Sala Conferenze

10:50–11:30

Quantum metrology - almost perfect theoretical framework with just a few cracks

Speaker

Rafał Demkowicz-Dobrzański

11:30
