

Advances in Modeling High-Energy Astrophysical Sources: Insights from recent multimessenger discoveries

Tuesday, 1 July 2025

Gamma rays from the ground (09:00 - 10:30)

time	[id] title	presenter
09:00	[14] Observation of the Gamma Ray Sky from the ground – the IACT technique	BERTI, Alessio
09:30	[15] The CTAO: status and perspectives	DA VELA, Paolo
10:00	[16] Ground-level particle detection for gamma-ray astronomy	HINTON, Jim
