

Advances in Modeling High-Energy Astrophysical Sources: Insights from recent multimessenger discoveries

Tuesday, 1 July 2025

AGN modeling (11:00 - 12:30)

time	[id] title	presenter
11:00	[17] Multiwavelength modeling of Active Galactic Nuclei or: Camels in the sky	Dr MANGANARO, Marina
11:30	[18] Leptonic modeling of blazars	TAVECCHIO, Fabrizio
12:00	[19] Hadronic modeling of blazars	CERRUTI, Matteo
