

Advances in Modeling High-Energy Astrophysical Sources: Insights from recent multimessenger discoveries

Wednesday, 2 July 2025

Multimessenger observations (09:00 - 10:30)

time	[id] title	presenter
09:00	[24] Cosmic ray recent observations	VECCHI, Manuela
09:30	[25] Observations of Gravitational Waves	RAZZANO, Massimiliano
10:00	[26] Observation of high energy neutrinos	MARSELLA, Giovanni
