

# Advances in Modeling High-Energy Astrophysical Sources: Insights from recent multimessenger discoveries

Thursday, 3 July 2025

Multiwavelength observations (09:00 - 10:30)

time	[id] title	presenter
09:00	[36] First results from the SVOM mission	PIRON, Frédéric
09:30	[37] X-ray Polarimetry with IXPE: from detector design to scientific discoveries	BONINO, Raffaella
10:00	[38] The ASTRI mini-array gamma ray experiment	PARESCHI, Giovanni
