

# Advances in Modeling High-Energy Astrophysical Sources: Insights from recent multimessenger discoveries

Thursday, 3 July 2025

**Multimessenger observations and modeling (11:00 - 12:30)**

time	[id] title	presenter
11:00	[39] The highest E neutrino from km3Net	CELLI, Silvia
11:30	[40] Galactic sources modeling	MORLINO, Giovanni
12:00	[41] The newAstrogam mission	MORSELLI, Aldo
