

# Advances in Modeling High-Energy Astrophysical Sources: Insights from recent multimessenger discoveries

Friday, 4 July 2025

**Closing Session (10:00 - 11:00)**

| time  | [id] title                                     | presenter            |
|-------|--|----------------------|
| 10:00 | [52] Observational Lessons learned from Fermi. | BISSALDI, Elisabetta |
| 10:30 | [56] Concluding remarks                        | LONGO, Francesco     |
