

Session Program

24-28 Nov 2025

SNRI 2025

Lezioni Frontali

Tuesday 25 November

09:00

Lezioni Frontali: Part 1

Session | **Location:** Genova

09:00–10:00

Research and Development efforts for Gaseous Detectors

Speaker

Eraldo Oliveri

10:00–11:00

Research and Development efforts for Solid State Detectors

Speaker

giulio Pellegrini

11:10–12:10

Research and Development efforts for Photon Detectors and Particle ID

Speaker

Massimiliano Fiorini

12:10–13:10

Research and Development efforts for Calorimeters

Speaker

Roberto Ferrari

13:10

Wednesday 26 November

09:00

Lezioni Frontali: Part 2

Session | **Location:** Genova

09:00–10:00

Research and Development efforts for Calorimeter

Speaker

Roberto Ferrari

10:00–11:00

Research and Development efforts for Solid State Detectors

Speaker

giulio Pellegrini

11:10–12:10

Research and Development efforts for Photon Detectors and Particle ID

Speaker

Massimiliano Fiorini

12:10–13:10

Research and Development efforts for Gaseous Detectors

Speaker

Eraldo Oliveri

13:15
