

Session Program

8-9 Jan 2026

Special Challenges in Quantum Chromodynamics

Morning session

Galileo Galilei Institute for Theoretical Physics
Largo Enrico Fermi, 2, 50125 Florence, Italy

Friday 9 January

09:00

Morning session

Session | **Location:** Galileo Galilei Institute for Theoretical Physics, Largo Enrico Fermi, 2, 50125 Florence, Italy

09:00–10:00 **TBD**

Speaker

Stefan Kluth

10:00

10:30

Morning session

Session | **Location:** Galileo Galilei Institute for Theoretical Physics, Largo Enrico Fermi, 2, 50125 Florence, Italy

10:30–11:15 **Sudakov resummation in direct and conjugate spaces**

Speaker

Ugo Giuseppe Aglietti

11:15–12:00 **Automated resummation for event-shape variables**

Speaker

Giulia Marcella Maria Zanderighi

12:45

12:00–12:45 **Discussion**
