

Discover Cosmic Particles

INTERNATIONAL COSMIC DAY

November 13 | 2025

Cosmic particles, these unnoticed particles that surround us all the time, are the focus of this day. Students, teachers and scientists get together to talk and learn about cosmic particles from space and answer questions like:

Local Organizing Committee

- Aldo Morselli • Claudio Gasbarra
- Federica Giacchino • Dario Gasparrini
- Claudia di Domenico
- Gonzalo Rodriguez Fernandez

**What are cosmic particles?
Where do they come from?
How can they be measured?
And what can we learn from them?**

If you want to know more about the secrets they bring and be part of this collaboration, you can find more information here:
