

## **CMS results on soft and hard diffraction**

*Thursday, 13 September 2012 11:50 (20 minutes)*

### **Summary**

The talk will cover CMS recent results on soft and hard diffraction, including inclusive diffraction, hard-diffractive dijet production, and W and Z boson events with pseudorapidity gaps.

**Primary author:** Prof. SOLANO, Ada Maria (TO)

**Presenter:** Prof. SOLANO, Ada Maria (TO)

**Session Classification:** Forward physics in Hadron-Hadron Collisions (I)

**Track Classification:** Forward physics in hadron-hadron collisions
