

Connections between diffraction in DIS and diffraction at the LHC

Tuesday, 11 September 2012 16:10 (20 minutes)

Summary

We review the HERA results and their unique contribution for the LHC program on diffraction.

Primary author: CAPUA, Marcella (Universita' della Calabria & INFN, Cosenza)

Presenter: CAPUA, Marcella (Universita' della Calabria & INFN, Cosenza)

Session Classification: Diffraction in e-p Collisions (II)

Track Classification: Diffraction in e-p collisions (experiment)
