

# Results on diffraction from the ATLAS experiment

*Thursday, 13 September 2012 12:10 (20 minutes)*

## Summary

Available results on diffraction from the ATLAS experiment are summarized.

**Primary author:** Mr TASEVSKY, Marek (Institute of Physics of ASCR, Prague)

**Presenter:** Mr TASEVSKY, Marek (Institute of Physics of ASCR, Prague)

**Session Classification:** Forward physics in Hadron-Hadron Collisions (I)

**Track Classification:** Forward physics in hadron-hadron collisions
