

# Biological Physics and Statistical Mechanics

**Monday, 8 June 2026 - Friday, 12 June 2026**

**Politecnico di Torino**

## Scientific Programme

**Active matter and biofluids**

**Biopolymers/Chromosomes**

**Cell populations and evolution**

**Ecosystems and collective animal behavior**

**Genomics, inference, networks**

**Information processing in biological systems**

**Natural and artificial neural networks**
