Tuesday 2 December

11:15

Muon Cooling Demonstrator: Instrumentation and possible physics measurements

Session |**Location:** ICTP, Trieste, Italy, Euler Room, The Abdus Salam International Centre for Theoretical Physics - Leonardo Building, Str. Costiera, 11, 34151 Trieste TS

11:15-11:45

Physics applications with the demonstrator

Speaker

Donatella Lucchesi

11:45-12:15

Muon-nucleon scattering measurement

Speaker

Qundong Han

12:15-12:45

Neutrino low energy cross sections at the demonstrator and TPC R&D

Speaker

Nataly Ospina Escobar

13:00
