Booklet

Every year the ICD team create a Booklet that collects the work of all participating groups. It's where you can present your discoveries and results, and share them with the whole ICD community. Your teacher or organizer has the template you need to fill in your contribution. This is your chance to make your research visible, inspire others, and be part of something bigger! So get involved and make sure your team is in the Booklet. Your research deserve to be seen! Send your contribution to icd@desy.de. Submission deadline: Dezember 19, 2025

Learn More

Do you want to learn more about cosmic particles? Check out our website icd.desy.de/activities/. There you'll find videos on the topic and platforms that provide real data you can analyze from home.
