

Session Program

22-23 Jan 2026

Constraining strongly coupled quantum field theories using symmetry

Session 1

Thursday 22 January

14:30

Session 1: Agnese Bissi

Session | **Location:** Parco Area delle Scienze, 53/A, Parma

15:30

14:30–15:30 **Multiparticle states in CFTs**

Speaker

Agnese Bissi
