How to get the Hard Sciences across

Monday, 8 October 2012 09:15 (1 hour)

In this talk I will present some ideas and examples that help to convey the essentials of the hard science to broad audiences of interested laymen or bright kids.

Summary

Presenter: Prof. BAIS, Sander (Universiteit van Amsterdam)

Session Classification: Opening session: raccontare la scoperta

Track Classification: I fisici comunicano la fisica
