

**Session Program**

2-13 Feb 2026

**SFT 2026 - Lectures on Statistical Field  
Theories**

***Bernard Derrida (Collège de France) - Large  
deviations of non-equilibrium diffusive  
systems***

GGI

## Monday 2 February

11:10

13:00

**Bernard Derrida (Collège de France) - Large deviations of non-equilibrium diffusive systems: Bernard Derrida - Large deviations of non-equilibrium diffusive systems**

**Session** | **Location:** GGI

## Tuesday 3 February

09:00

10:50

**Bernard Derrida (Collège de France) - Large deviations of non-equilibrium diffusive systems**

Session | Location: GGI

## Wednesday 4 February

11:10

13:00

**Bernard Derrida (Collège de France) - Large deviations of non-equilibrium diffusive systems**

Session | Location: GGI

## Thursday 5 February

09:00

10:50

**Bernard Derrida (Collège de France) - Large deviations of non-equilibrium diffusive systems**

Session | Location: GGI

## Friday 6 February

11:10

13:00

**Bernard Derrida (Collège de France) - Large deviations of non-equilibrium diffusive systems**

Session | Location: GGI
