

Session Program

16-27 Feb 2026

**Frontiers in Nuclear and Hadronic Physics
2026**

***S. Schlichting : "Hydrodynamics and Kinetic
Theory: Attractors and Thermalization"***

GGI

Monday 16 February

11:15

13:15

S. Schlichting : "Hydrodynamics and Kinetic Theory: Attractors and Thermalization"

Session | **Location:** GGI

Tuesday 17 February

09:00

11:00

S. Schlichting : "Hydrodynamics and Kinetic Theory: Attractors and Thermalization"

Session | **Location:** GGI

Wednesday 18 February

11:15

13:15

S. Schlichting : "Hydrodynamics and Kinetic Theory: Attractors and Thermalization"

Session | **Location:** GGI

Thursday 19 February

09:00

11:00

S. Schlichting : "Hydrodynamics and Kinetic Theory: Attractors and Thermalization"

Session | **Location:** GGI
