

Session Program

16-27 Feb 2026

**Frontiers in Nuclear and Hadronic Physics
2026**

***L. Apolinario: "Jet Physics in ultra-relativistic
collisions"***

GGI

Monday 16 February

15:00

17:00

L. Apolinario: "Jet Physics in ultra-relativistic collisions"

Session | **Location:** GGI

Tuesday 17 February

11:15

13:15

L. Apolinario: "Jet Physics in ultra-relativistic collisions"

Session | **Location:** GGI

Wednesday 18 February

09:00

11:00

L. Apolinario: "Jet Physics in ultra-relativistic collisions"

Session | **Location:** GGI

Friday 20 February

09:00

10:00

L. Apolinario: "Jet Physics in ultra-relativistic collisions"

Session | **Location:** GGI
