

**Session Program**

16-27 Feb 2026

**Frontiers in Nuclear and Hadronic Physics  
2026**

***F. Antinori: "50 Years of Quark-Gluon Plasma:  
past, present, future"***

GGI

## Monday 23 February

15:00

**F. Antinori: "50 Years of Quark-Gluon Plasma: past, present, future"**

Session | Location: GGI

16:00

16:00

**F. Antinori: "50 Years of Quark-Gluon Plasma: past, present, future"**

Session | Location: GGI

17:00
