***WP1 - Mining multi-modal information***

Pisa

# Monday 2 March

10:30

## WP1 - Mining multi-modal information: WP1 - Mining multi-modal information

Session | Location: Pisa

### 10:30-11:00 Multi-parametric/multi-modal analysis of ADNI imaging data

#### Subcontributions

##### Preprocessed data and analysis methods developed in Palermo

###### Speaker

Maurizio Marrale

##### Preprocessed data and analysis methods developed in Bologna

###### Speaker

Claudia Testa

##### Preprocessed data and analysis methods developed in Pisa

###### Speakers

Giuseppe Antonio Motisi, Piernicola Oliva

##### Collaborative multi-parametric/multi-modal analysis pipeline on ADNI data

11:20

### 11:00-11:20 Selection of other joint case studies
