

Properties of baryon resonances from combined partial wave analysis of the photo- and pion induced single and double meson production data

Thursday, 11 October 2007 15:50 (20 minutes)

Primary author: ANISOVICH, Alexey (Institute fuer Strahlen -und Kernphysik der Universitaet Bonn)

Presenter: ANISOVICH, Alexey (Institute fuer Strahlen -und Kernphysik der Universitaet Bonn)

Session Classification: Baryon Spectroscopy

Track Classification: Baryon Spectroscopy
