

Isospin violation in $\phi, J/\psi, \psi' \rightarrow \omega\pi^0$ via hadronic loops

lunedì 8 ottobre 2007 18:00 (20 minuti)

Autore principale: ZHAO, Qiang (Institute of High Energy Physics, Chinese Academy of Sciences and Department of Physics, University of Surrey)

Coautore: Dr. ZOU, Bing-Song (Institute of High Energy Physics, Chinese Academy of Sciences); LI, Gang (Institute of High Energy Physics, Chinese Academy of Sciences)

Relatore: ZHAO, Qiang (Institute of High Energy Physics, Chinese Academy of Sciences and Department of Physics, University of Surrey)

Classifica Sessioni: Light Meson Spectroscopy

Classificazione della track: Light Meson Spectroscopy
