

The $q\bar{q}$ S-wave Axial-Vector Mesons in the Covariant $\tilde{U}(12)$ -Scheme

Monday, 8 October 2007 15:10 (20 minutes)

Primary author: MAEDA, Tomohito (Department of Engineering Science, Junior College Funabashi Campus, Nihon University)

Co-authors: Prof. YAMADA, Kenji (Department of Engineering Science, Junior College Funabashi Campus, Nihon University); Prof. ODA, Masuho (Faculty of Engineering, Kokushikan University); Prof. ISHIDA, Shin (Research Institute of Science and Technology, Nihon University)

Presenter: MAEDA, Tomohito (Department of Engineering Science, Junior College Funabashi Campus, Nihon University)

Session Classification: Light Meson Spectroscopy

Track Classification: Light Meson Spectroscopy
