## Excited nuclear matter at Fermi energies: from transport properties to the equation of state

*Monday, 22 June 2015 15:15 (25 minutes)*

**Presenter:** LOPEZ, O. (Laboratoire de Physique Corpusculaire de Caen, France)

**Session Classification:** Equation of State of Neutron-Rich Nuclear Matter, Clusters in Nuclei and Nuclear Reactions

**Track Classification:** Equation of State of Neutron-Rich Nuclear Matter, Clusters in Nuclei and Nuclear Reactions
