

Working Group on Radiative Corrections and Generators for Low Energy Hadronic Cross Section and Luminosity

Friday, 28 September 2012

Hadronic VP, g-2 and Delta alpha II (11:00 - 12:30)

time	[id] title	presenter
11:00	[0] Light-by-Light Scattering Sum Rules	PAUK, V.
11:25	[1] Lattice QCD determination of the hadronic contribution of (g-2) μ	Prof. WITTIG, Hartmut
11:50	[2] The new g-2 experiment	VENANZONI, Graziano
