

# PHIPSI13 - International Workshop on e+e- collisions from Phi to Psi 2013

## Wednesday, September 11, 2013

### Measurement and Theoretical Evaluation of g-2 (III) - Aula Amaldi (10:50 AM - 12:10 PM)

time	[id] title	presenter
10:50 AM	[4] HLS Approach to the muon g-2 evaluation	Mr BENAYOUN, Maurice
11:10 AM	[5] Towards analytic four-loop corrections to the anomalous magnetic moment of leptons	Prof. STEINHAUSER, Matthias
11:30 AM	[12] Hadronic vacuum polarization contribution to g-2 from the lattice	Prof. GOLTERMAN, Maarten
11:50 AM	[61] The electroweak contributions to (g-2)_mu after the Higgs boson mass measurement	Prof. STÖCKINGER, Dominik
