Possible tour sites other than KAGRA

(Not contacted yet)

Niseko panorama line

One of the famous winding roads in Hokkaido that threads through the peaks of Niseko. A popular spot to enjoy the seasonal mountain nature while driving a car or riding a motorcycle.

Nikka Whisky Yoichi Distillery

Within the premises where a rich nature and a castle-like building are in harmony, you can see such things as the history and manufacturing process of whiskey, or the residence of the founder Masataka Taketuru. There is also a tasting corner and an outlet. Listed as Hokkaido Heritage site in 2004.
