

# MPI@LHC'08

## Friday, 31 October 2008

### Heavy Ions (09:00 - 11:30)

time	[id] title	presenter
09:00	[40] Quarkonia production (production through MPI followed by final state heavy-quark recombination)	MISCHKE, Andre
09:30	[41] Jets in heavy-ion collisions (emphasis on UE bg subtraction)	MAGALI ESTIENNE
10:00	[42] Incoherent parton-parton scattering, nuclear PDFs, and hard pQCD yields in nucleus-nucleus collisions	KLAUS REYGERS
10:30	Coffee break	
11:00	[43] Heavy-ion perspectives at the LHC	JULIA VELKOVSKA
