

Session Program

Oct 26 - 31, 2008

MPI@LHC'08

Heavy Ions

Perugia

Fri, October 31

9:00 AM

Heavy Ions

Session

9:00 - 9:30 AM

Quarkonia production (production through MPI followed by final state heavy-quark recombination)

Speaker

Andre Mischke

9:30 - 10:00 AM

Jets in heavy-ion collisions (emphasis on UE bg subtraction)

Speaker

Magali Estienne

10:00 - 10:30 AM

Incoherent parton-parton scattering, nuclear PDFs, and hard pQCD yields in nucleus-nucleus collisions

Speaker

Klaus Reygers

10:30 - 11:00 AM

Coffee break

11:00 - 11:30 AM

Heavy-ion perspectives at the LHC

Speaker

Julia Velkovska

11:30 AM
