

**Working Group on Radiative Corrections and Generators for Low Energy  
Hadronic Cross Section and Luminosity**

Contribution ID: 46

Type: **not specified**

**Are isospin corrections in  $\tau^- \rightarrow \pi^- \pi^0 \nu_\tau$  decays  
understood?**

*Friday, 12 April 2013 11:30 (30 minutes)*

**Presenter:** ROIG, Pablo

**Session Classification:** tau physics
