

**Working Group on Radiative Corrections and Generators for Low Energy
Hadronic Cross Section and Luminosity**

Contribution ID: 44

Type: **not specified**

**Colloquium: The role of sigma_hadronic for the
future of the precision determinations of the muon
 $g-2$ and the running alpha_em**

Friday, 12 April 2013 10:00 (1 hour)

Presenter: JEGERLEHNER, F.

Session Classification: Hadronic VP, g-2 and Delta alpha
